

ABOUT

Chiara Ciccarello was born in Sicily and graduated from the University of Catania with a Master in Architecture, and a piano diploma at the Music Institute Vincenzo Bellini. In 2012 Ciccarello moved to Berlin, where she has been working as an architect before deciding to dedicate herself to drawing and illustration. An illustration is not simply an image, there is always a story behind. The work of Chiara Ciccarello focuses on the narration of the empathy inside people's stories. She has been exhibiting in Germany, Italy and Japan.
